Please keep in mind the following restrictions:

- The grant seeker may not be a religious institution; however, outreach programs affiliated with such organizations may be considered.
- Proposals exclusively to fund salaries, marketing, or ongoing operating expenses will not be considered, however, your request may include a limited amount of the total budget to cover these expenses.
- Restaurant Giving Circle, Inc., does not fund endowments or contribute to ongoing or new comprehensive capital campaigns.

Deadline for 2026 Grant Application – June 1, 2026

- The RGC board places a premium on funding innovative programs that leverage our funds to deliver services and support to restaurant workers.

To Apply, Submit the Following Additional Information

(Note: The format of your application is not important if all questions are answered.)

1. Please provide your organization's mission statement.
2. Please provide a summary of the proposed program or project for the \$100,000 Award Grant and describe the specific needs it addresses and how it will improve the lives of restaurant workers. Address whether it is a new or expanded program or project.
3. Indicate how many restaurant workers you are currently serving on an annual basis.
4. Will the proposed program/project increase the number of individuals served? If so, how will the numbers of restaurant workers increase?
5. Describe how the program or project enhances your organization's mission.
6. Please list your anticipated outcomes. Include measurable, time-sensitive goals. Also, include the method of evaluating the success of your proposed program/project.
7. Please state in detail your budget for the Grant program or project.
8. Will the project be fully funded by our grant?
9. What percentage of your organization's total operating budget is your proposed program/project?

*** Thank you for the amazing work you do for restaurant workers.
